### WHAT 1ST STEP can do for you

We provide different levels of outsourced services dependant upon your particular requirements.

We can provide secure, informative payslips on time, handle all calculations, and provide you with easy to read information. We can also calculate hours worked, overtime, and pro-rata salaries.

Whether you are a small, medium or large company we can produce valuable management information structured to suit your needs.

### IS A BUREAU ... cost effective?

The answer is YES and our customers agree!

We guarantee to save you money through reducing the cost of purchasing expensive stationery, annual software updates and support contracts as well as the costs of staff training.
